ADMINISTRATION DIRECTORATE REVIEW: TRENDS AND HIGHLIGHTS

Evaluation

COURSE OBJECTIVE

The objective of this course is to update DDA careerists'
awareness and understanding of current activities, problems
and trends in the Administration Directorate and its
components.

A. Please indicate on this numerical scale how well in your estimation,
the course has met its objective. (Number 1 is the lowest, number 7
is the highest.)

1   2   3   4   5   6   7

B. Please describe how you see the program benefiting you.
I became more aware of some of the problems
in other components and may make working with
one another easier if everyone knew these problems
and missions —

C. Given your present assignment, what segment of the program did
you find least useful?

RECORDS MANAGEMENT although the lecture
and tour were very interesting —

(See Reverse Side)

D. Did you feel the session on the Administration Directorate/
Management & Advisory Group (AD/MAG) was beneficial? Why?

Yes - There are some people that seem to really be interested in solving problems - both personal and operational -

E. We welcome your suggestions for improving this course:

STATINTL

I really missed not having the scheduled tour of R & D ▮▮▮▮▮▮ I had looked forward to that - I had wanted to tour the facilities for at least 9 years and this was the primary reason I signed up for this class - needless to say I was very disappointed and will try other ways of getting a tour - Technical help for the class leader, in the projection department would help - There were several instances of malfunction during this course -
